

Town of Jamestown
Resolution 12-46, Series 2016

**A RESOLUTION OF THE BOARD OF TRUSTEES OF THE TOWN OF JAMESTOWN, COLORADO TO
APPROVE TRAFFIC CALMING ELEMENTS FOR MAIN STREET**

WHEREAS, the Town of Jamestown is partnering with Boulder County for the re-construction of County Road 94 also known as Main Street in some sections that pass through the Town of Jamestown; and

WHEREAS, the re-construction project has been funded through CDBG-DR and FEMA programs and Boulder County is nearing completion of the road design; and

WHEREAS, for the sections of the road re-construction that are funded through the CBDG-DR program, some design elements beyond existing conditions may be included in the design in order promote other community goals; and

WHEREAS, traffic calming along Main Street was identified as an objective in the 2015 Jamestown Area Long Term Recovery Plan and is seen as an important component in addressing safety issues and improving quality of life in the core area of town; and

WHEREAS, based on the foregoing, a need exists to approve the selected traffic calming elements (see Appendix A of this resolution) for the Town and convey them to the road design team so that they may be included in the County's final plans for the road section.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF JAMESTOWN, COLORADO:

Section 1. That the selected traffic calming elements for Main Street are approved and supported by the Town Board of Trustees and will be conveyed to Boulder County's road design team to include in the road design for the section of County Road 94 within the Town of Jamestown and referred to as Main Street.

ADOPTED, this 5th day of December, 2016.

Approved,

Tara Schoedinger, Mayor

Attest,

Kristi Rutledge, Town Clerk
