Anything left over will be donated to Goodwill.

The following items are **NOT** accepted.

We will not be accepting Single Stream recycles on Cleanup/Dumpster day. Bring them to our regular Recycle Saturday at Elysian Park from 10AM to Noon on June 11.

Explosives, fireworks, flares, ammunition- These go to the Sheriffs' office at 5600 Flatiron Parkway

Prescription and over the counter drugs: Also to the Sheriff's Office or to Boulder Community Hospital on Arapahoe- There is a drop off near the Emergency Room Entrance

Lawn Mowers- or any machine with an engine- not accepted unless both gas and oil are completely drained and batteries removed

Tires

Refrigerators and air conditioners: these contain Freon.

BBQ propane tanks: We can take the camp size only. Larger tanks may go to Fred's propane or your propane provider for a fee.

Sharps: Contact Ken for information about how these must be packaged before we can accept them.

ADDENDUM

#2 Plastic Articles (HDPE)

- Large plastics such as Big Wheels® and plastic play structures, plastic lawn furniture, plastic watering cans, laundry baskets, clean plastic buckets (no residue), crates, rigid backyard kiddie pools and plastic trash containers.
- Must be the size of a five-gallon bucket or larger but must also be less than 3 feet by 3 feet (can be cut to meet these dimensions).
- In some cases, these plastics may not be marked with a #2, so look for them to be opaque with a matte finish and hollow inside. They are made with a mold, so will likely have a seam where two halves were joined.
- Non-plastic parts must be removed, including straps, padding and fabric. Items requiring disassembly will be charged a \$5 fee.
- NO flower pots without a #2, inflatable pools or other inflatable plastics, water beds, chew toys, CD jewel cases, small toys such as action figures, etc.
- NO insulated plastic coolers

Slash:

There will be one roll off for yard waste. This is not meant to replace the service performed by the Jamestown Volunteer Fire Department each spring. We are looking for smaller branches, no longer than 20 ft, leaves, pine needles, grass and garden cuttings. Absolutely **no tree stumps or branches more than 10 inches in diameter**. Everything in this roll off will be turned to compost.
